### PORTFOLIO & CERTIFICATES

## ABOUT

I am passionate about working in an unstructured, complex environment with innovation. I adore organizing the chaos that surrounds us.

## EXPERIENCE

### Accountant
TOV Company | from 04.2017 till now

- introduced the use of tables to simplify accounting and economic calculations at the company;
- processing about 250 documents per day;
- communicating with clients, suppliers and government organizations.

### Content manager
Freelance| from 02.2014 till 01.2020

- created and moderated groups in social networks;
- developed simple content, promotions and advertising for such pages;
- I was engaged in writing texts, including translations from other languages;
- consulted customers and accepted orders.
